ACCREDITATION

With the opening of a new campus, Stuttgart High School was established in 2015 as part of the Department of Defense Dependents Schools. The school is part of the Europe East District, which earned accreditation by the AdvancedEd/Cognia in 2018. Previously called Patch High School, the most recent on-site visit was SY Spring 2018.

GRADING SCALE

Weighted Classes: AP (Advanced Placement) and IB (second year higher-level classes) are weighted.

Grade Point Average: GPA is based on a 4-point system. An "A" is worth 4 points, a "B" grade is 3 points, etc. For each AP (Advanced Placement) course, add 1 additional point (e.g. A=5) unless the grade is "F" in which case no points are given.

Class rankings for graduation will be determined following the second semester of the senior year for students enrolled full-time at the end of the fourth quarter.

Honors classes and standard level IB courses from DoDEA schools and Non-DoDEA schools are not weighted in the GPA and ranking.

The following grades are authorized for use in Department of Defense Dependents School.
