Date: December 3, 2025 **Time:** 1500 **Location:** High School Library

1. **Welcome and Introductions**
    - Call to Order
2. **Roll Call -**
    - **Kathrine Chen – Dominique Blair – Isabella Blair – Sarah Asimakopulos – Jen Arnold – Thierry Nimson – Olga Sims – Aaron Asimakopulos – Brian Pappas – Amy Matney – Lisa Welsh – Lauren Manley – Michael Jimerson – Becky Curry – Detria O'learly**
3. **Election Process**

Overview of nominees: Student Members:

Junior Class Representative - *Katherine Chen*

Sophomore Class Representative - *James Chen*

Junior Class Representative - *Thierry Nimbona*

Vice Chairman: No nominations

Secretary: No nominations

All students nominated were elected, along with Dr Olga Sims, who was self-nominated and elected from Board members to fill the Vice Chairman position. Mr Jimerson counted votes.

4. **Principal's Report –**
    - School Updates
    - Upcoming Events and Activities

It has been a growing issue among students, with a significant amount of time spent out of class. Staff and Administrators are working to mitigate this by implementing a digital hall pass.
Rifle Marksmanship issue was resolved – the change was made to align trips and funding with JROTC – The process was from Mr Jumerson, local leadership, superintendent, Regional Directors, which led to an exception to policy for the Senior student who were not able to change their classes to meet the requirement. Parents raised concerns about the upcoming junior class being extended the same exception there was not a definitive answer and if this were to impact student in the junior class a parent would have to work through the same channels to see if this is possible.

Stuttgart High School SAC Meeting Agenda

Date: December 3, 2025 **Time:** 1500 **Location:** High School Library

Review of the recent athletic schedules and updates with football field – a couple a of minor final touches to be made when weather is clear.

5. **Old Business**
    - 12 Nov | IAC Meeting Robinson Barracks Elementary School, at 1520- 1630
        A. JROTC Riffle/Marksmanship Team Update
    - Parent Teacher Outreach and Engagement
        A. One parent emailed with interest - meeting date and time were provided with nomination information.
    - Review of Previous Meeting Action Items
    - Football Field progress and timeline

An overview of the previous IAC meeting brought elaboration and conversation of implementing safety patrols for possible volunteer service for students and ROTC Cadets. Noted there was an inconsistency in standards for safety concerning bicycle riders (little children) on scooters, and not wearing helmets. Overall safety is a concern, and Brian Pappas has noted to have a survey to collect # of bicycle riders for the schools to see if a safety riders course can be incorporated into the future Garrison or CYS possibilities.

Parent question on student driving privileges. – No resolution, Garrison will release information when a solution or way ahead has been identified.

6. **New Business:**
    - **Open Floor**
7. **Staff Concerns :**

Parent-Teacher Conferences had high participation and some sign-ups, but more walk-ins. Dr Sims noted that she created advertisements and displays for SAC at the front doors and in the teachers' classrooms to encourage greater parent involvement.

8. **Parent and Student Concerns:**

The parent highlighted concerns about the baseball field not being addressed and about disproportionate travel schedules. Mr Jimerson provided an overview of unbiased schedule layouts across dodea for baseball to show there is equality and all considerations are being addressed. The contract for the baseball field has been finalized, and administrators and athletic

directors are advocating for students. Parent will ensure that this issue is continuously brought to the attention of the Garrison and higher leadership until it is resolved.

Another Prent would like the Contact us page to include more information about SC representatives' personal details on the school webpage, along with the SAC email address and the SAC good community feedback form.

Another concern was focused on teachers' training on AI and the need for having equal value in the teachers' feedback options for students. Parent raised concerns about teacher work days and what training occurred. Mr Jimerson explained that teachers have received training and use AI ethically. AI is not going anywhere. A recent hiring action has been taken for an AI innovations position, so there will be more AI to use in the future.

The teacher suggested implementing an Honor Code, for example, the University of VA. Create a policy that holds students accountable for misusing tools like AI to generate their work. This topic was discussed earlier in the year with the honors societies.

Discrepancies with regulatory guidance prohibited a parent from voting to elect a parent member to fill a SAC Secretary board member position. Deemed that elections will run until the position is filled. The decision will be discussed at the next meeting.

Student Representative noted the inconvenience of bathroom closures due to vandalism. This highlighted the importance of having scanning in and out for bathroom breaks to better account for students'. Teacher Rep brings the suggestions to hold students accountable, send a parent email to allow them the opportunity to question and correct their kids, and enable teamwork. Student Rep adds that it is a distraction to learning. We need parent support, and conversations need to be had to correct this naughty behavior. Mrs. Curry noted that when matters happen, we address the issues.

9. **Future Meeting Dates**
    - Tues, 13 Jan | Next IAC Meeting at Stuttgart High School – 1530- 1630
    - Wed, 21 Jan | SAC Meeting/Quarter ends 15 January, 1500, SHS Library
10. **Meeting Adjournment @ 1625.**
